ArtShed is a local business running Art classes, Summer Camps and Parties. Founded by Artist Kathy Evershed out of her 'shed' we specialize in creating environments conducive to fun, creativity and imaginative play where children can learn most of all to revel in their own originality. The R-Yr2 class is taught by Lucynda Howard and the Yr3-6 class by Suzy Jones Biggar. The classes follow a well-trodden path that we know children enjoy with emphasis placed on fun and experimentation as a form of relaxation after a long day at school! To see more of what we do and opportunities to visit the ArtShed you are welcome to visit our home in the clouds at www.shedloadsoffun.com
