After School Clubs and Lunch Clubs

Children love the creative outlet that is a Debutots after-school or lunch club.

Our hugely popular clubs have the all important PSHE benefits of a curriculum enriching Debutots class, tailored to the specific age-group, with some added fun and games.

Children are inspired to share their own ideas and feelings as they creatively explore characters, scenery and sounds together.

Debutots clubs promote skilful communication; develop cognitive skills and grow a child's positive sense of themselves and of others - nurturing them to become confident individuals.

"Debutots is a reliable and extremely rewarding after-school club. The benefits are clearly visible - the children taking part are more confident, co-operative and creative. Highly recommended!"
Sophie Roseman, Thameside Primary School

Camp Primary School After-school Club

Tuesdays 3.30pm - 4.30pm

24th April - 10th July

Weekly after-school clubs include fun warm-up games followed by an interactively told, original story. We then use our voices, bodies and imaginations to bring the story to life in a dramatic group retelling. As confidence grows, we use effective drama techniques to challenge thinking and develop creative skills.
