

# Camp School Publication Scheme

Approved by Governing Body: July 2015

Next review: July 2018

## **This is Camp Primary and Nursery School's Publication Scheme on information available under the Freedom of Information Act 2000**

*The Governing Body is responsible for maintenance of this scheme.*

### **1. Introduction: what a publication scheme is and why it has been developed**

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

We endeavour to make as much information as possible available online. The classes, below, provide links to information which is available. If any of the information is not available online, the scheme will explain how it can be accessed. We will continue to develop this scheme to increase the amount of information that can be accessed through it.

The school does not charge for information which is accessed on our website. However, we may pass on costs for reproducing information or providing it in alternative formats.

### **2. How to request information**

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below. For those documents marked [web], you can visit our website at <http://www.camp.herts.sch.uk/>.

Tel: 01727 851056

Fax: 01727 855959

To help us process your request quickly, please clearly mark any correspondence **PUBLICATION SCHEME REQUEST**.

If the information you're looking for isn't available via the scheme or our website, you can still contact the school to ask if we have it.

### 3. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 4. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there may be a charge this will be indicated by a £ sign in the description box.
