

### **School Sports Premium Overview**

Since October 2013, the government have allocated 'Sports Premium' funding directly to every primary school. This funding aims to help support the delivery of PE and sport in schools.

In 2015/16 every school has received £8000 + £5 per child and this has given us a budget of £8,864 for the current academic year. This funding is used to help enhance Camp Primary and Nursery School's current PE provision and raise the profile of sport within the school.

At Camp Primary and Nursery School we are using the funding to support the following provision:

#### **Curriculum PE**

- Specialist coaching for every class in Key Stage 1 and 2. Employing qualified sports coaches to develop the skills of our teachers to teach PE
- Intra school class sports competitions
- Funding professional development opportunities for teachers in PE and sport
- Supporting the professional development of the PE curriculum leader
- INSET training from specialist sports coaches

#### **School Sport and Extra Curricular opportunities**

- Funding the school's participation in local sports competitions with other schools
- Helping to fund inter-house sports competition within school
- After school clubs for both KS1 and KS2 – introducing new sports each year
- Lunchtime clubs for both KS1 and KS2
- Link with School Sports Partnership
- Taster sports club sessions
- Extra curricular clubs subsidised - supporting and engaging some less active children through funded places
- Year 6 Bronze Ambassadors trained by School Sports Partnership
- Lunchtime clubs run by Sports Council and Bronze Ambassadors
- Sports Council responsibilities – including leading assemblies to encourage pupil participation, running competitions and keeping School Games website up to date
- Sports Council involvement in co-ordinating School Sports Day
- Developing a house point system to raise profile of physical activities within school

#### **Partnership Working**

- Linking with other schools and local sports clubs - Links are being set up with 'Oakland's Wolves' (local basketball team) to ensure children can join clubs/workshops outside of school time.
- Provision of a wider variety of sports clubs
- Whole school trip to indoor Athletics centre – to give all children the opportunity to try new activities/meet athletes and be inspired at the start of the run up to the Rio Olympics in 2016

#### **Equipment and resources**

- New KS1 and KS2 schemes of work purchased to support teachers in planning
- Improving the quality and range of our PE equipment to ensure a broad balanced curriculum
- Gymnastics and athletics equipment updated
- New indoor basketball nets purchased to help promote this new club. New 'school team' kits
- School PE Kit for teachers

How will impact be measured?

Greater confidence of school staff in planning and delivering PE and sport	Observation of children and staff during PE lessons New resources being used Feedback from staff
Increase in the number of clubs on offer and pupil participation in extra-curricular sports activities	Termly monitoring of pupil participation Pupil and Parent questionnaires Pupil voice through Sports council
Equipment is fit for purpose and used more effectively to deliver high quality PE	Yearly audit of equipment. Observation of children and staff during PE lessons Pupil voice through Sports Council

### What impact have we seen to date?

During the first year of funding, there was a visible increase in all year groups of children attending a wider variety of extra-curricular sports clubs. The greatest increase has been in the number of children who are in receipt of pupil premium funding attending clubs – an increase of over 50%.

Staff confidence in delivering a wider variety of PE disciplines has increased, supported by new schemes for planning, appropriate specialist equipment and on-going training. Appropriate progression of skills being taught to the children throughout the school has improved and continues to develop. Staff now provide an important role model for the children of changing into PE kit for all active sessions.

New competitive opportunities have been opened up for the children to take part in such as cross-country running, swimming and rugby.

Children are more physically active during lunchtimes with a variety of activities available and increased access to a range of equipment.

Children have been inspired to try new sports and activities through visiting coaches and the whole school trip. By the whole school participating in events such as these our children can see that sport is for everyone.

### Our on-going vision

We recognise the contribution of P.E. to the health and well-being of the children. We know that the delivery of a creative and varied P.E curriculum has a positive effect on children's academic achievement and can play a major role in strengthening peer relationships and social skills through collaboration and competition.

We understand that for children to develop a healthy life-style, they need to develop an early understanding of the importance of healthy lifestyles and fitness and an enjoyment of sport.

Our Sport Premium funding will continue to help us encourage all children to enjoy the benefits of an active life-style through the delivery of a quality P.E. curriculum and a broad range of enrichment activities.
