

## Year 1 Homework Grid

### Houses and Homes – Summer 2018

On the internet, research what houses are like in a country of your choice.

Practise your number bonds to 10 and 20.

Design your own house.

Use the internet to find out more about the habitat of an animal.

Describe your favourite room in your house. What does it look like? How does it make you feel? What sounds can you hear?

Start at 3 and then count up in 2's, 5's and 10's. What patterns do you notice?

Practise forming your capital letters correctly.

Explore how many things you can fit in a cup. What do you notice?

Homework free weekend!

**Every week**  
**Practise your spelling words. Can you write each word in a sentence?**

Write a fairy tale story with yourself as the main character.

Reading: Please allow a minimum of 10mins of reading time each day; Children can read to an adult or older sibling and record this in their reading record.

These are "tricky words". These are words the children can't sound out. Please help your child to learn these in a fun and enjoyable way - you might like to write silly sentences using the words, see if you can put the words in alphabetical order, or have a competition to see who can write the word the neatest!
