

# UNDER THE SEA

## CURRICULUM DRIVERS

### ENVIRONMENT

As **environmentalists**, we will:

Recycle in the classrooms.  
Study the ocean environments from around the world and think about how we can take action to help reduce plastic pollution.

### GLOBAL & LOCAL COMMUNITY

In our awareness of our **global and local communities**, we will:

Think about how we as a school and a community can reduce our use of plastic.  
Use stories as a stimulus for learning about the world

### SPIRITUAL & MORAL DEVELOPMENT

As **spiritually & morally aware learners**, we will:

Consider our role in helping keep our seas and oceans safe for the sea creatures to inhabit

### CREATIVE ENDEAVOUR

As **learners with creative endeavour**, we will:

Use recycled materials, particularly plastic to create whole school art work
