

For Children....

We understand that at the start of the school day children need time to play, explore, create, learn new skills, and relax. We hope to meet every child's individual needs, and therefore we will evaluate the activities on a regular basis to ensure that all children's interests are taken into consideration. We encourage children to give feedback and suggest ideas for new activities.

For Parents....

The safety of children in our care is of paramount importance. A child will only be allowed to go home with a person who has been named in the contact form. If you know that another person will be collecting your child you MUST inform us at the earliest possible opportunity. If an individual who is not known to us comes to collect a child, we will contact all listed emergency contact numbers for that child to ensure the safety of the child.

Police checks are completed for all staff to ensure they are safe and suitable to work with children.

All staff have received thorough first aid training.

The club adheres to all school rules and policies. Copies of all relevant policies can be found in the handbook. Please speak to a member of Breakfast Club staff if you would like to be given a copy of this.

We warmly welcome visitors, by arrangement, so please speak to a member of our staff if you would like to come and see what goes on at Early Risers Breakfast Club

About The Club

Early Risers Breakfast Club aims to provide a happy, safe and stimulating environment for children before school. We hope to promote learning through play and activities whilst providing a fun and relaxing environment. As a Breakfast Club catering for children aged 4-11 we are required to follow the Early Years Foundation Stage curriculum. We base our activity plans on the six areas of learning within this curriculum. Further details can be found in our handbook for parents.

We are based in the Dining room and the hall. This location allows easy access to the playground for outdoor activities and parent or guardian drop offs. The available spaces enable children to choose from a variety of different activities including outdoor sports and games, arts and crafts, and quieter activities. The club operates from Monday to Thursday term time only.

At the beginning of the school day children will be collected from their lines outside by their teacher. At 8.45am:

Reception will be taken to their classrooms and supervised by an adult.*

Year 1 – Year 6 will go onto the playground where they will be supervised by Maria or another member of breakfast club and a class teacher.

*Parents of children in Year 1 – 6 may request for their child to be supervised inside until the start of the school day rather than going onto the playground.

Operating times and charges from September 2018

Monday, Tuesday, Wednesday, Thursday and Friday

7:45am – 8:45am £4.00

We require bookings and payments to be made half termly, in advance.

10% discount will be offered to families with more than one child attending.

Snacks

As Camp Primary and Nursery School promotes healthy eating, we offer a choice of healthy and nutritious snacks. Children will usually be offered a choice of Cereals and bread based snacks (toast, crumpet, croissants) with options such as honey, jam, lemon curd and marmite. Fruit will always be available. Yogurts are also available. Low sugar drinks will be available, and we have use of a chilled drinking water station. If your child has any special dietary requirements please inform us when completing the registration forms.

Activities

We offer a wide variety of different activities, including.....
painting board games K'nex Hama beads, Colouring Lego
quiet room play dough ... and more!
