

Dear Parents and Carers,

As a part of our home learning, the children may be set tasks on a website called Purple Mash. It can be found at www.purplemash.com

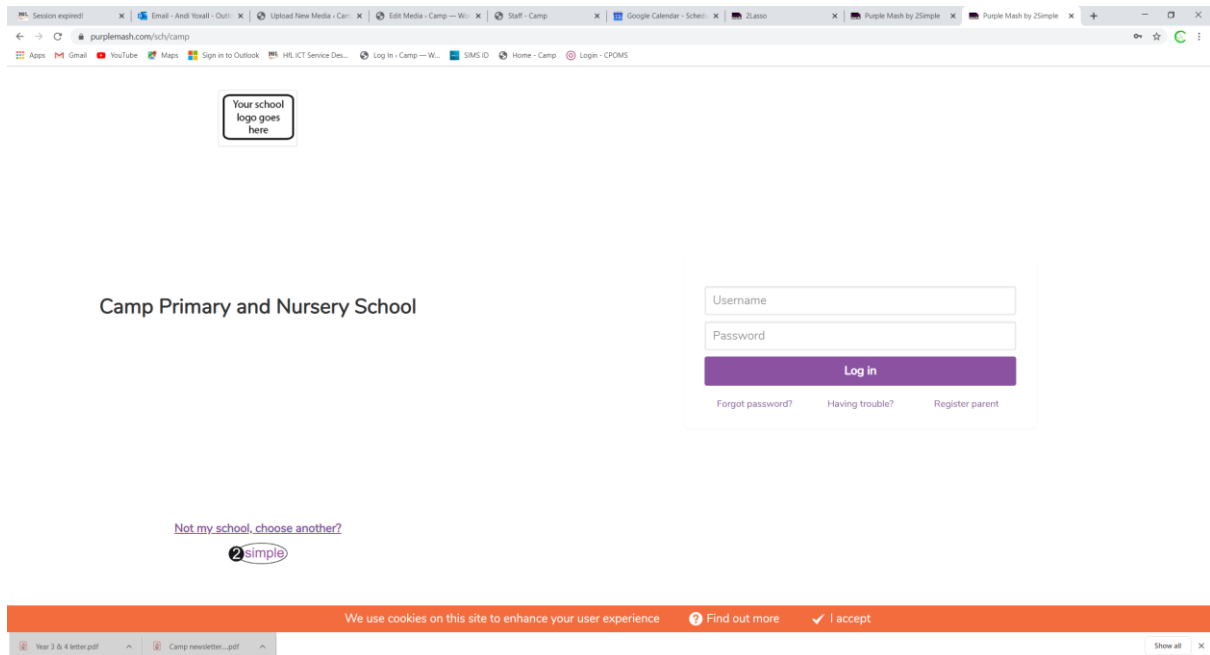

Once on the homepage, please click on “Find my school’s login page”

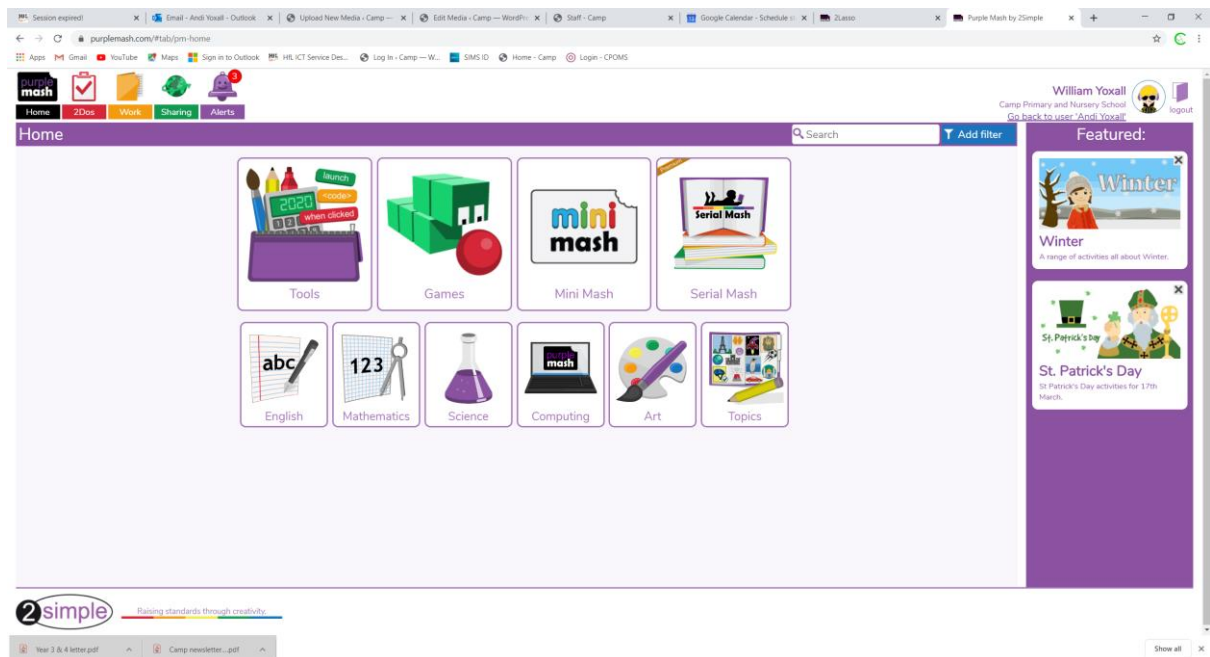

On the “Find my school’s login page” type in Camp and double click Camp Primary and Nursery

Next you will need to enter your child's PURPLE MASH username and password. This is the same username and password that they use in school to log-in but not to be confused with the username and password that they use to log-into the Chromebooks. **These are 2 separate things which often confuses the children.**

Once logged into Purple Mash, your child's work will be set by the class teacher and can be found in the top left corner menu under the purple bell "Alerts"

If you **DO NOT** see any "Alerts" please check in the red tick box "To Do" section of the menu on the left hand side of the screen.
