

# Safer Internet Day

'Children at Camp School celebrated 'Safer Internet Day in February 2022. This year's theme was ' All fun and games? Exploring respect and relationships online'. Children in years 3 - 4 learnt about some practical ways to stay safe online, particularly when playing games. Children in year 1 and 2 heard the story of 'Digiduck and the Magic Castle' which reminded us that one click in a game can sometimes result in unwanted purchases. Here are some of our wonderful posters.
