Minutes from meeting 21.9.23

1)Ofsted Report

Discussed the findings including what Ofsted meant by the area for improvement. Looked at the recently published report. Lots of discussion about positives and supported parents to understand our new assessment for learning policy.

2)Parents view survey results

Question 8 High expectations for my child was discussed in further detail. We talked about how we supported each child from their current stage in learning to help take the next steps.

We explained how reading books sent home with a child need to be texts that the child can completely decode and are used to build fluency.

3)Other items raised:

Discussion about more productions for children to take part in and workshops for parents to attend. (after missing out in COVID)

Preparation for secondary school in terms of transition. School outlined support offered and more information will be provided to Y6 parents in the Spring Term.

Sports teams. The current system is requesting a child to attend the after school club in order to represent the school.
