Wednesday 11th February 2026

Dear Parents and Carers,

As the month of Ramadan is approaching, we would like to share a whole-school project we will be taking part in at Camp School.

Ramadan is a special time for Muslims, where people reflect on the blessings they have and aim to be the best versions of themselves. It is also a time when people think carefully about those who may struggle and how they can support them.

To support this, the school has teamed up with London Colney Islamic Centre to take part in a **food bank donation project**. The donations collected will go towards supporting families who are less fortunate and may struggle to afford basic food items to break their fast.

This is a meaningful way for our school community to come together and support families in need, while also helping children learn about compassion and generosity in a real and practical way. Each class will have their own donation box, and we will begin collecting donations as soon as this letter is sent to families. Donations will be taken to the food bank every week.
As most of the donations will be going to Muslim families, we kindly ask that all food items are vegetarian or halal certified. If you are unsure about any items or have questions about what can be donated, please feel free to speak to me.

We would kindly ask that donations are brought in any time from this week and until Thursday **13th March** ideally, as the earlier we collect the food, the quicker families can use these donations to break their fast. However, we are still happy to accept any last-minute donations after this date. Ramadan starts on the 18th February and will end on 20th March.
