Dear Parents and Carers,

We are excited to invite you to be part of a special community event in support of Camp Primary School!

On **14th June**, members of our staff team will be taking part in the **St Albans Half Marathon**, walking and running to raise money for our **Sensory Garden project**. This is a fantastic opportunity for us all to come together as a school community and make a real difference for our children.
There are lots of ways you can get involved:

- **Sign up to take part** in one of the marathon events yourself – whether you run, jog, or walk, every step counts! There is also a family fun run you could choose to do with your children. Please share our Go-Fund page with friends, family, neighbours and colleagues!

- **Offer to be a marshal on the day.** This brings in lots of money to the PA. Please speak to them directly if you are able to support in this way.

- **Support our team** by cheering them on along the route.

- **Donate via our GoFundMe page**, where all funds raised will go directly to the PA charity supporting the Sensory Garden

- **Join us on the day** – bring a picnic and enjoy a relaxed, fun atmosphere with other families while supporting our runners.

We are hoping to make this a truly memorable **Camp community event**, full of encouragement, connection, and shared purpose. Your support, whether big or small, will help us move closer to creating a wonderful sensory space for our children to enjoy.

Please take a look at the links below for full details on how to sign up, donate, and get involved.
