Yellow Class – Summer Term Newsletter 2026

Dear Year Three Parents and Carers,

Welcome back to the new term after a, hopefully, restful break. It has been lovely to have the children back at school. They have all settled back well and we can see that they are eager to learn again and take on new challenges. We, yet again, have a busy term ahead, so here is some key information about the learning topics we have to look forward to. For this term, Mrs Du Plessis will be teaching from Monday to Thursday and Mrs. Giffen will teach Thursday mornings and the whole day on Fridays.

Curriculum focus
This term we are going to cover a number of topics linked to our learning in history and geography. Our topic will be about The Ancient Egyptians linked to our geography topic about the River Nile. If you have any resources or books that can support us in any of the children's learning please do let us know. We will have **Egyptian Day** as well this term and details will follow in due course.

Maths
Key areas for Year 3 in the Summer are fractions, time, shape (including angles and turns), and later in the term mass and capacity. Please continue with the **Times Tables Rock Stars** daily homework practise, as this is very important for supporting other Maths units in the Year 3 curriculum.

English
All children are expected to bring to school with them their reading books and reading records every day, and should be reading at home to an adult or older sibling regularly. Reading records should be filled in when reading independently or with an adult please. Your child will take part in a teacher-led small group guided reading session each week in addition to whole class guided reading sessions. Your child can change their reading book whenever they need to. As well as reading at home, spelling homework will usually be set once a week on a Thursday.

PE
PE this term we will be on a Tuesday and a Friday. It is important that the children have a **full** PE kit with them (see https://camp.herts.sch.uk/uniform/), including a long sleeved top and trainers for outdoor PE work. Children with long hair must remember to wear their hair tied back.

Homework
In line with our homework policy, home learning will focus on reading, spelling and maths skills. It is set on a Friday to be handed in the following Thursday.

Craft and cooking contribution
We would like to ask for a voluntary contribution of £6 towards cooking and craft activities this term. Please make this payment on Arbor under Trips>Craft & Cooking Year 3 - Summer 26.

We hope that this information is helpful to you, but please do contact us via email or phone if there is anything at all you want to discuss.

Kind regards,
Mrs. Du Plessis and Mrs. Giffen
