Friday 24th April 2026

Dear Parents and Carers,

As you may be aware all children in Year 4 will be taking part in the Multiplication Tables Check in June. This is a short online assessment designed to ensure children have a secure understanding of their times tables.

To support both you and your child in preparing for this, we would like to invite you to a short information session in school. During this session we will explain how the check works, and share some fun and practical activities that you can use at home to help build your child's confidence and fluency and answer any questions that you may have.

This will take place on Thursday 7th May at 2:50pm in the Year 4 classroom.

If you are able to attend please confirm via the google form here.

Thank you for your continued support

Year 4 Team
