Friday 10th July 2026

Dear Year 2 Parents and Carers,

We have really exciting news that to support our learning in Geography, History and Science we have managed to book a fun, full day immersive workshop focusing on Arctic and Antarctic exploration. This will take place next **Friday 17th July**.

Due to the cost and lack of availability of coaches we decided that we would spend the day in school and children can wear their usual clothes. We have arranged the timings so that the children can be collected at the normal Friday pickup time of 2:35pm.

The cost of the day is **£9.75** per child. Please use Arbor to make the online contribution by **Wednesday 15th July**. If you feel you are unable to pay by the deadline, or cannot afford to pay please contact the school office. Please be aware that, should not enough parents contribute to the cost of the day, it may have to be cancelled. If any parents would like to see how the cost of the trip has been worked out, please ask at the school office where further information will be available. Also, if any parents are able to pay slightly more this will support other families in paying for the trip.

If you have any questions about the trip please come and speak to us.

Yours sincerely

Year 2 Team
